long history with them, I just ask that we all give one last push to really polish our deck and pitch. This is a really important account and it is very important that we win this.

Several of you have asked, but the current agenda is still TBD as we are waiting for the client to confirm the time. Thanks!!

Daniela, Daichi mentioned that the client had some changes to our design for the July promotional splash page. Could you make those edits before our Wednesday client sync?

I thought the client wanted to include a section about the buy one get one offer as well? Originally it was slated for August but she mentioned she got the budget approved for July.

That would be nice, but at most I would only need a few additional days.

I know Krystal really wanted to make a good impression especially since this is a new client

I'm pretty confident that this launch will be successful. The team has worked tirelessly to make it possible

The client wasn't expecting us to be ready until middle of August anyways

Marie Beaudouin 6/3
Thank you for always being so positive!

I will push Krystal to give us a few more days. That shouldn't be a problem.

We haven't had a break in awhile.
